¹3.99% APR with 24 Monthly Payments: A minimum purchase amount of \$1,500 is required. **There is a promotional fee of \$125 for this transaction.** We determine your monthly payment amount by applying the promotional APR to the sum of your purchase amount and promotional fee amount and then dividing that amount by the number of months in the offer. This will pay off the balance if all payments are made on time. Other transactions, including fees and other charges, may affect your overall monthly payment amount. Minimum interest charge is \$2.
